For couples who do not have attorneys: You can help things along and keep your costs down by going to Family Court (777 Punchbowl Street, Honolulu) and getting the “uncontested divorce” package. Be sure to get the right one – “with children” or “without children.” The package contains “Income & Expense” and “Asset & Debt” forms. Please fill those out and bring them to the mediation. The Income & Expense form should be done by each of you individually and should be a composite of present experience and post-divorce expectations. If you are able to do the Asset & Debt form together, please do so. If not, do the best you can individually.
